Wardha, Maharashtra, India

Summary

COMPUTER ENGINEERING STUDENT @ RTMNU NAGPUR.

I build technology that is powerful, intuitive, and most importantly delivered ahead of schedule.

MY TECH STACK

Languages: Python, Java, XML, HTML

Specialties: Android Development & UI Design

Education: Rashtrasant Tukadoji Maharaj Nagpur University

WHY WORK WITH ME?

AHEAD OF SCHEDULE I pride myself on beating deadlines. By finishing projects early, I ensure there is always time for rigorous testing and UI polishing to achieve a high-quality final product.

BUILT FOR SIMPLICITY I believe great engineering should be easy to understand. I write clean, well-documented code designed to be "Easy to Learn" for teammates and end-users alike.

DESIGN-DRIVEN DEVELOPMENT With a focus on UI Design and XML, I bridge the gap between backend logic and beautiful frontend interfaces.

LET'S CONNECT!

I am currently seeking Internship Opportunities and am eager to contribute to innovative tech teams.
